When parents and/or guardians have joint custody of a student, each custodial address will be assessed for eligibility.

### **Joint Custody Alternating Each Week**

On a permanent basis, when a student resides alternately for one (1) week with their one parent or guardian, and the next week with their other parent or guardian, transportation services will be arranged subject to the address eligibility of each custodial parent.

### **Joint Custody During the Same Week**

On a permanent basis, when a student resides, during the same week, alternately with their one parent or guardian for a few days, and then with their other parent or guardian for another few days, transportation services will not be arranged to both addresses out of concern for student safety.
